(THE DOCTOR'S GROUP REACT)

THE DOCTOR: When I say run - run. Run!

(TEGAN AND TURLOUGH RUN OFF ALONG THE CATWALK IN THE OPPOSITE DIRECTION TO BULIC)

BULIC: Get them.

(THE GUARDS RUN AFTER TEGAN AND TURLOUGH, BUT THE DOCTOR STANDS BY THE CONSOLE WITH HIS HANDS IN THE AIR, BLOCKING THEIR WAY.

THE DOCTOR GRABS THE FIRST GUARD AND KNOCKS HIM TO THE GROUND)

THE DOCTOR: So sorry.

(THE SECOND GUARD JABS THE BUTT OF HIS RIFLE HARD INTO THE DOCTOR'S STOMACH AND HE IS SENT REELING.

AIMING A HEFTY KICK AT THE GUARD, THE DOCTOR THEN GETS TO HIS FEET, BUT THE GUARD RECOVERING, FORCES THE DOCTOR BACK AGAINST THE RAIL, AND AFTER A FEW MOMENTS OF STRUGGLE, THE GUARD PUSHES THE DOCTOR OVER BACKWARDS INTO THE TANK OF WATER BELOW.

TEGAN AND TURLOUGH SEE THE DOCTOR'S FALL.

TEGAN TRIES TO RUN BACK.

TURLOUGH RESTRAINS HER)

TEGAN: Doctor!

(SHE GRABS HOLD OF SOME CHAINS AS IF TO TRY TO CLIMB DOWN INTO THE TANK, TURLOUGH BEHIND HER, STOPS HER)

TURLOUGH: Tegan, no! There's nothing we can do.

TEGAN: We can't just leave him.

TURLOUGH: Face it, Tegan. He's drowned.

(THEY LOOK DOWN AND SEE THE DOCTOR'S BODY DISAPPEARING UNDER THE SURFACE OF THE WATER.

TURLOUGH PULLS
TEGAN AWAY FROM
THE RAIL AND THEY
ESCAPE THROUGH
A SLIDING DOOR,
WITH BULIC AND
THE GUARDS IN
PURSUIT)

AN AUTOMATIC JET AIR INTAKE SUDDENLY CUTS IN NEARBY.

AS IT DOES, THE DOCTOR'S FACE IS BUFFETTED AND HE SUDDENLY COMES TO, CLOSE TO DROWNING, HIS EYES DART ABOUT DESPERATELY LOOKING FOR A WAY OUT.

HIS POV: A GROUND LEVEL SERVICE BAY OPENED BY MEANS OF A PRESSURE WHEEL.

HE KICKS POWERFULLY AND IS FREE.

GRABBING HOLD OF THE WHEEL HE WRESTLES TRYING TO TURN IT.

A BEAT AND IT BEGINS TO TURN)

2. INT. SEA BASE FOUR. CORRIDOR.
ON THE OTHER SIDE OF THE METAL DOOR.

(THE GUTS OF THE
DECODER ARE HANGING
OUT.

BANGING FROM THE
OTHER SIDE OF THE
DOOR CAN BE HEARD.

TEGAN LOOKS VERY
DEPRESSED)

TURLOUGH: That should slow them down a bit.

TEGAN: We should have tried to help him.

TURLOUGH: (GENTLY) We couldn't. Come on, let's get back to the Tardis.

(THEY MOVE OFF)

VORSHAK'S VOICE: The base has been broken into. I need you on the Bridge at once.

NILSON: I'm on my way. (SMILES AT SOLOW) With Vorshak distracted it may be possible to activate Maddox sooner than we expected.

SOLOW: Nilson. But who are the invaders?

NILSON: That I plan to find out.

8. INT. SILURIAN SHIP.

(INSIDE THE ICE CHAMBER, THE REVIVING BEAM BATHES THE SEA DEVIL WARRIORS IN A GLOW.

VERY SLOWLY THEY BEGIN TO MOVE.

SCIBUS, ICTHAR AND TARPOK, ARE WATCHING.

ONE BY ONE THE WARRIORS START TO STAND UP)

TARPOK: There will be a short period of orientation.

ICTHAR: Excellent. When all is ready I will instruct Sauvix and his Sea Devil Warriors on The Plan of attack.

9. INT. SEA BASE FOUR. CORRIDOR.

(THE GUARD APPROACHES
THE HEAVY DOOR TO

TURNS TO FACE
THE APPROACHING
GUARDS)

11. INT. SEA BASE FOUR. CORRIDOR.

(THE DOCTOR STILL VERY WET, MOVING ALONG.

HE RUBS HIS BRUISED STOMACH.

HE ARRIVES AT THE COOLING CHAMBER DOOR AND SEES THE ELECTROCUTED GUARDS, CROSSES TO HIM AND CHECKS HIS PULSE)

THE DOCTOR: You'll live.

(HE THEN STARTS TO REMOVE THE GUARDS RADIATION SUIT)

12. INT. SILURIAN SHIP. MAIN AREA.

(ICTHAR AND THE
TWO COMPANIONS.

THE LIGHT IN THE
TANK OF MASSED
SEA DEVIL WARRIOR
CUTS.

A WARRIOR, DRESSED
SLIGHTLY DIFFERENTLY
FROM THE REST,
STEPS OUT AND
SALUTES ICTHAR)

SAUVIX: Sauvix, Commander of Elite Group - One.

ICTHAR: Icthar Sole survivor of the Silurian Triad and my companions Scibus and Tarpok.

SAUVIX: We are yours to command.

14. INT. SEA BASE. BRIDGE.

(NILSON ENTERS THE BRIDGE AND CROSSES TO VORSHAK)

NILSON: Have you found the intruders?

VORSHAK: One of them. He's being brought up now. I'd like you to be present at the interrogation.

NILSON: Of course. Do you know how they got in?

VORSHAK: That's what I want you to find out.

15. INT. SEA BASE FOUR. CORRIDOR.

(TEGAN ON THE MOVE.

AS SHE PASSES A RECESS, A FIGURE IN BAGGY HOODED RADIATION SUIT EMERGES AND GRABS HER.

THE FIGURE QUICKLY REMOVES HIS HOOD.

IT IS THE DOCTOR)

TEGAN: Doctor! I thought you were dead.

THE DOCTOR: So did I - for a moment. Where's Turlough?

TEGAN: The guards caught him. We've got to help him.

THE DOCTOR: Yes all right. First I must get you safely back to the Tardis.

TEGAN: (DETERMINEDLY) I want to help find Turlough.

THE DOCTOR: (PAUSES) Yes all right.

(TEGAN SNIFFS)

TEGAN: What have you been eating?

THE DOCTOR: Come along Tegan.

16. INT. SILURIAN SHIP. MAIN AREA.

(ICTHAR, THE COMPANIONS AND SAUVIX WATCHING THE LAST OF THE SEA DEVIL WARRIORS FILING THROUGH A DOOR)

ICTHAR: How soon will your warriors be ready for combat?

SAUVIX: Battle orientation automatically commenced instant we're revived.

ICTHAR: Excellent, Sauvix.

(HANDS HIM A SCROLL)

SCIBUS: Your plan of attack. Study it well, for the ape primative base must be taken intact.

(SAUVIX SALUTES AND FILES OUT AFTER THE LAST WARRIOR)

17. INT. SEA BASE FOUR. BRIDGE COMPLEX.

(A BLEEP FROM
THE CONSOLE.

VORSHAK OPERATES
A SWITCH)

VORSHAK: Bridge.

MARINE'S VOICE: The reactor has been stabilised, sir. We now have full power again.

VORSHAK: Thank you.

(WHILE VORSHAK
HAS BEEN SPEAKING
BULIC AND HIS
MEN HAVE ENTERED
WITH TURLOUGH.

TURLOUGH IS BROUGHT
FORWARD TO FACE
VORSHAK AND NILSON.

ALL EYES, INCLUDING
MADDOX AND KARINA
IN BACKGROUND TURN
TO WATCH TURLOUGH)

This is Commander Vorshak the senior Officer on this base.

TURLOUGH: I've told him ...

(INDICATES BULIC)

VORSHAK: Listen, and listen carefully. You have a choice. Co-operate, tell us all you know and you'll be treated honourably.

18. INT. SEA BASE FOUR. CORRIDOR.

(THE DOCTOR AND TEGAN ON THE MOVE.

HE IS STILL WEARING HIS RADIATION SUIT.

AHEAD HE SEES THE ENTRANCE TO THE BRIDGE)

THE DOCTOR: Good, now you must stay outside, Tegan.

TEGAN: What in the world can I hope to achieve here?

THE DOCTOR: My peace of mind. Please, Tegan, don't argue.

(THE DOCTOR USHERS TEGAN INTO AN ALCOVE)

Now, I don't need to tell you what you should do if anything goes wrong.

(TEGAN STEPS BACK INTO THE DEEP ALCOVE, AND DISAPPEARS INTO THE SHADOWS)

TEGAN: Good luck.

THE DOCTOR: Yes, thank you.

(THE DOCTOR HURRIES
TO THE BRIDGE DOOR
AND HOVERS OUTSIDE
TRYING TO WORK OUT
THE ENTRY CODE.

SUDDENLY THE
BRIDGE DOOR OPENS
AND AN OPERATIVE
EMERGES.

SEIZING HIS
CHANCE THE
DOCTOR ENTERS)

19. INT. SEA BASE FOUR. BRIDGE COMPLEX.

(THE DOCTOR PAUSES.

HE SEES TURLOUGH UNDER INTERROGATION.

HE MOVES INCONS-PICUOUSLY TO THE WALL INSTRUMENTATION WHERE TWO OPERATIVES ONE IN RADIATION SUIT, ARE AT WORK)

TURLOUGH: (THROUGH ACTION) The Tardis ... it's a kind of ship. I know it doesn't seem to make sense, but that's how we got here.

NILSON: He's insulting our intelligence, trying to convince us he's nothing more than a lost tourist.

BULIC: If you'd nothing to hide why didn't you declare yourselves immediately.

TURLOUGH: We were trying to.

(THE DOCTOR MOVES NEARER TO ONE OF THE ARMED COMBAT MARINES COVERING TURLOUGH)

VORSHAK: (TO NILSON) What do you think?

NILSON: He may be telling the truth, but I doubt it. But we can't be sure without delving deeper into his mind.

VORSHAK: Then see to it, Nilson.

(NILSON NODS TO A COMBAT MARINE WHO MOVES FORWARD TO GRAB TURLOUGH)

NILSON: Take him to the P.S. Unit.

(ABOUT TO HAUL HIM AWAY WHEN THE DOCTOR POUNCES TO WREST THE WEAPON FROM THE HANDS OF THE OTHER COMBAT MARINE.

HE THEN PULLS OFF HIS RADIATION HELMET.

HE TURNS TO COVER THE STARTLED GROUP.

TURLOUGH PULLS HIMSELF CLEAR TO JOIN THE DOCTOR.

BULIC RECOVERS AND GOES TO GRAB AT HIS SIDEARM)

TURLOUGH: Doctor!

(THE DOCTOR SWINGS TO COVER TURLOUGH)

THE DOCTOR: I wouldn't if I were you.

(BULIC RELAXES)

(EASES) Well gentlemen. It seems we have a problem.

20. INT. SEA BASE FOUR. STORAGE AREA.

(PRESTON ACCOMPANIED
BY TWO COMBAT
MARINES DOWN THE
STAIRS AND SEE THE
TARDIS.

CAUTIOUSLY THEY
CROSS TO IT AND
PUSH OPEN THE
UNLOCKED DOOR.

PRESTON INDICATES
THEY SHOULD ENTER:)

21. INT. TARDIS CONSOLE ROOM.

(THE TRIO LOOK
AROUND AMAZED
AT THE DIMENSIONS)

PRESTON: Good heavens! Look,
(TO GUARDS) there's another door.
Search through there.

(THE GUARDS CROSS
TO THE DOOR LEADING
INTO THE CORRIDOR)

22. INT. SEA BASE FOUR. BRIDGE COMPLEX.

(AS BEFORE.

THE DOCTOR COVERING
THE OTHERS)

BULIC: Your move, Doctor.

THE DOCTOR: So it seems. Perhaps it is time for a little mutual trust. Turlough was telling the truth.

(HE REVERSES THE
WEAPON AND HANDS
IT TO VORSHAK.

VORSHAK STARES
HARD AT THE DOCTOR.

BULIC IS ABOUT TO
PULL OUT HIS WEAPON
BUT A GESTURE FROM
VORSHAK STOPS HIM.

A BLEEP.

VORSHAK MOVES TO
THE CONSOLE AND
TRIPS A SWITCH)

Bridge.

PRESTON'S VOICE: We've found the intruder's craft. It's amazing. It isn't of this planet.

VORSHAK: Is it armed?

PRESTON'S VOICE: Not that we can tell.

VORSHAK: Well leave a guard on it. Return to the bridge.

(VORSHAK TURNS AWAY FROM THE CONSOLE.

PAUSE)

THE DOCTOR: Well Commander?

VORSHAK: Well it seems the boy was telling the truth after all.

23. INT. SILURIAN SHIP. MAIN AREA.

(ICTHAR AND THE
TWO COMPANIONS.

SAUVIX CROSSES TO
THEM)

SAUVIX: (TO ICTHAR) The warriors are armed and at their stations.

ICTHAR: Excellent Sauvix. It is time to begin.

(NODS AT FIRST
COMPANION WHO FLICKS
SWITCHES ON THE CONSOLE.

THE POWER NOISE
STARTS UP AND BUILDS)

24. INT. SEA BASE CORRIDOR.

(PRESTON MAKES HER
WAY ALONG THE
CORRIDOR.

AHEAD IS THE ENTRANCE
TO THE BRIDGE.

AS SHE NEARS TEGAN'S
ALCOVE, TEGAN
FOOLISHLY POPS HER
HEAD OUT FOR A PEEP.

PRESTON STOPS)

PRESTON: You want something?

(TEGAN TURNS TO
FACE THE VOICE,
A LOOK OF DESPAIR
ON HER FACE)

25. INT. SEA BASE FOUR. BRIDGE COMPLEX.

(AS BEFORE)

VORSHAK: All right ... I believe that you're not hostile.

THE DOCTOR: Thank you.

VORSHAK: But that doesn't mean I trust you. I should like to see a demonstration of your ship.

THE DOCTOR: When I've repaired her.

(THE DOOR OPENS TO ADMIT TEGAN AND PRESTON)

PRESTON: The third member of the crew. I found her lurking outside.

(TURLOUGH MOVES TO JOIN TEGAN)

TURLOUGH: Are you all right?

(TEGAN NODS, SENSING THE HOSTILITY AND SUSPICION OF THE SEA BASE PEOPLE)

KARINA: (URGENT) Commander - the screen! (cont ...)

(THE SCREEN SHOWS THE SILURIAN SHIP APPROACHING)

KARINA: (cont) (O.O.V.) It's heading towards the base.

(VORSHAK, BULIC, PRESTON REACTING.

THE DOCTOR MOVES FORWARD TO LOOK)

VORSHAK: Is that the thing we picked up before?

KARINA: Yes sir.

MADDOX: We're getting a clear sensor scan. It's a ship of some kind. But not one of ours.

(THE DOCTOR REACTS, RECOGNITION TRIGGERING AT THE SIGHT OF THE SILURIAN SHIP.

VORSHAK CHECKS IT)

VORSHAK: Prepare to fire energy tracers.

THE DOCTOR: (SUDDEN) No ...

VORSHAK: You recognise it?

(VORSHAK AND THE OTHERS TURN TO LOOK AT HIM)

THE DOCTOR: Yes. You mustn't attack.

VORSHAK: You're hardly in a position to give orders, Doctor.

BULIC: Ready to fire, Commander.

THE DOCTOR: Do so and you'll regret it. I know what that ship is.

VORSHAK: You're telling us not to defend ourselves?

THE DOCTOR: I'm telling you you have no defence. That's a Silurian battle cruiser!

VORSHAK: Silurian?

THE DOCTOR: The race that ruled Earth long before your species evolved ...

BULIC: (TO VORSHAK) Do we fire, sir?

THE DOCTOR: (TO VORSHAK) Trust me. You must make contact with it. Find out what they want.

VORSHAK: It's what we want that matters, Doctor. And that's to keep them away ... (TO BULIC) Open fire!

(BULIC PRESSES A SWITCH.

THE IMMEDIATE RESULT IS A VIOLENT FLARE UP ON THE SCREEN CAUSING ALL WATCHING TO SHIELD THEIR EYES)

26. INT. SILURIAN SHIP. MAIN AREA.

(THE DEFLECTORS LOCK
NO LONGER PULSING
BUT GLOWING INTENSELY)

SCIBUS: The deflector is locked onto their energy beam. Their external weapon system is now suppressed.

ITCHAR: Proceed as planned.

27. INT. SEA BASE FOUR. BRIDGE COMPLEX.

(THE SCREEN SHOWING
EMPTY STATIC.

KARINA FUTILELY
PRESSING SWITCHES)

VORSHAK: Fire again.

KARINA: Weapon systems are dead.

(VORSHAK SPINS TO
FACE THE DOCTOR,
HOSTILE, ANGRY)

VORSHAK: You knew that would happen.

THE DOCTOR: I did try to warn you.

PRESTON: What have they done?

THE DOCTOR: It's a particle suppressor. They turned your energy beam back on you. They could have blown this base apart. They certainly have enough reason to.

TELECINE 1:

Ocean Depths.

The sleek wedge shape of the Silurian ship is seen arriving and settling by the Sea Base.

28. INT. SILURIAN SHIP. MAIN AREA.

(ICTHAR AND THE
TWO COMPANIONS
AND SAUVIX)

SCIBUS: (TO ICTHAR) We are in position.

ICTHAR: Release the Myrka. Sauvix, proceed to your station. When the Myrka begins its work, you and your warriors commence the attack on the main entry point.

(SAUVIX SALUTES
AND LEAVES)

TELECINE 2:

Ocean Depths.

The Sea Base and
the Scilurian ship,
quietly waiting.

29. INT. SEA BASE FOUR. BRIDGE COMPLEX.

(THE DOCTOR, TURLOUGH AND TEGAN.

VORSHAK AND NILSON WITH KARINA AND MADDOX AT THEIR POSITIONS.

THE BRIDGE IS VERY BUSY)

VORSHAK: (INTO INTERCOM) I want damage reports as soon as possibl. Maddox, set the computer to analyse the Silurian weapon.

MADDOX: Sir.

(WITH THE DOCTOR, TEGAN AND TURLOUGH)

TEGAN: (TO THE DOCTOR) When did you meet the Silurians Doctor?

THE DOCTOR: A long time ago. I let them down then, it seems I will do so again.

TURLOUGH: Are they hostile?

THE DOCTOR: They're honourable. All they ever wanted to do was live in peace.

30. INT. SEA BASE AIRLOCK ONE.

(TWO COMBAT MARINES ON DUTY NEAR THE MASSIVE AIRLOCK INNER DOOR.

THE DOOR HAS A LARGE WHEEL MECHANISM. WRITTEN ON THE DOOR IS A HUGE NUMBER ONE.

A SHORT STRETCH OF CORRIDOR LEADS AWAY TO A SIMILARLY MASSIVE BULK HEAD WITH A SLIDING STEEL DOOR WHICH IS OPEN.

A BLEEP AND AN ALARM LIGHT FLASHES ON THE INSTRUMENT-ATION ABOVE THE AIRLOCK.

THE MARINES REACT. ONE MOVES TO PRESS SWITCHES.

ELECTRONIC THUDS AS MAGNETIC LOCKS SLAM INTO PLACE)

31. INT. SEA BASE FOUR. BRIDGE.

(AS BEFORE)

THE DOCTOR: Commander.

(VORSHAK TURNS
TO THE DOCTOR)

VORSHAK: Yes, what is it?

THE DOCTOR: You can't fight them.

VORSHAK: I can try.

THE DOCTOR: Inform your people. Tell them what's happening, down here.

VORSHAK: I can't. I must maintain radio silence. I can't risk revealing the Sea Base's position to the enemy.

THE DOCTOR: Friend or enemy - a distinction lost on the Silurians I assure you. To them you're all the same. Ape descended primitives. An evolutionary error they obviously mean to correct.

(A BLEEP)

COMBAT MARINE'S VOICE: Commander, there's something outside airlock one! It's trying to force the outer door.

(REACTIONS)

VORSHAK: Stay there ...!

(TURNS TO THE OTHERS)

(TO BULIC) Get a team down there. Preston, deploy the duty guards to cover the other airlocks.

PRESTON: Yes commander.

THE DOCTOR: Let me go with them. I know the Silurians. If I can talk to them we may be able to avoid bloodshed.

(VORSHAK LOOKS AT BULIC WHO SHRUGS)

VORSHAK: You can try. But remember, we have no reason to trust you. (TO BULIC) Watch him. The first sign of treachery, kill him.

(BULIC NODS.

THEY LEAVE FOLLOWED BY BULIC AND FOUR GUARDS)

32. INT. SEA BASE. AIRLOCK ONE.

(TWO COMBAT
MARINES ON DUTY.

TENSIONS AS THEY
WATCH THE ALARM
LIGHT FLASHING
ABOVE THE INNER
AIRLOCK DOOR)

33. INT. SEA BASE. AIRLOCK FIVE.

(SIMILAR IN EVERY DETAIL TO AIRLOCK ONE, EXCEPT THAT A HUGE FIGURE FIVE IS WRITTEN ON THE DOOR.

PRESTON AND TWO COMBAT MARINES MOVE THROUGH THE OPEN BULKHEAD AND ALONG TO WHERE TWO MORE MEN ARE ON STATION BY THE AIRLOCK INNER DOOR)

PRESTON: Any sign of entry?

(COMBAT MARINE SHAKES HIS HEAD)

GUARD: No, Ma'am.

34. INT. SEA BASE. AIRLOCK ONE.

(THE DOCTOR'S GROUP MOVE TO THE TWO COMBAT MARINES AT THE AIRLOCK.

THE ALARM LIGHT IS STILL FLASHING)

BULIC: Any change.

(A SUDDEN SCREECH FROM THE ALARM AND A BURNOUT FROM THE INSTRUMENTATION ABOVE THE DOOR.

THE DOCTOR LOOKS AT BULIC)

The magnetic locks have blown on the outer door.

(A BLEEPER GOES. SOUNDS AND VISUALS FROM THE INSTRUMENTATION TO INDICATE THAT SOMETHING HAS ENTERED THE INNER AIRLOCK AREA.

AN EQUALISATION OF PRESSURE NOISE)

They're in the Airlock.

TEGAN: How can you tell.

BULIC: The automatic pumps have started up.

(THE MASSIVE PRESSURE WHEEL OF THE INNER AIRLOCK DOOR IS SLOWLY TURNING)

35. INT. SEA BASE FOUR. BRIDGE COMPLEX.

(AS BEFORE.

VORSHAK BY THE CONSOLE.

A BLEEP)

VORSHAK: Bridge.

PRESTON'S VOICE: Airlock five is under attack!

VORSHAK: I'll come down. (TURNS TO THE OTHERS) Karina, put the reserve teams on combat alert. Maddox, stand by for synch up. We may have to contact command after all.

(NILSON REACTS)

NILSON: But Commander ...

VORSHAK: The Doctor may be right. If he is ... These creatures are a threat to all man kind.

(VORSHAK GOES. AS HE DOES HE PASSES AN AGITATED SOLOW ON HIS WAY IN.

SOLOW LOOKS AND MOVES OVER TO NILSON)

SOLOW: (URGENT, SOFT) Nilson, we must speak.

(NILSON LOOKS OFF TO KARINA AND MADDOX)

NILSON: No need for panic.

(THEY MOVE TO ONE SIDE, PLACING THEMSELVES IN SUCH A POSITION THAT THEY CANNOT BE SEEN BY THE OTHERS ON THE BRIDGE)

SOLOW: (TENSE) The base is on war alert.

NILSON: It's all right. While Vorshsk is busy, I'm in command of the Bridge.

SOLOW: You'll activate Maddox?

NILSON: Yes.

SOLOW: What about the Silurians. What if they manage to break in?

NILSON: We shall neutralise the Sea Base, whatever happens and with the help of Maddox, we'll destroy all vital circuitry to do with the missiles and communications.

36. INT. SEA BASE. AIRLOCK ONE.

(THE DOCTOR'S GROUP, BULIC AND THE COMBAT MARINES WATCHING THE INNER AIRLOCK DOOR BUCKLE UNDER COLOSSAL PRESSURE)

BULIC: Take up defensive positions.

TEGAN: Will it hold?

BULIC: I wouldn't count on it.

37. INT. SEA BASE FOUR. BRIDGE COMPLEX.

(NILSON AND SOLOW, THEIR EYES ON MADDOX.

NILSON'S P.O.V. MADDOX FIDDLING WITH THE CONTROLS OF HIS CONSOLE.

KARINA BUSY NEARBY.

NILSON BRINGS UP THE BLEEPER AND SWITCHES IT ON.

A FAINT WHINE, NILSON DIRECTS IT AT MADDOX.

ON MADDOX: HE SUDDENLY FREEZES. AN ECHO OF THE BLEEPER WHINE REGISTERING INSIDE HIS SKULL.

C.U. ON MADDOX'S FACE. HIS EYES RESPONDING TO IMPERATIVE COMMANDS INSIDE HIS HEAD.

HE RISES, ABRUPTLY AND SWAYS, CAUSING KARINA TO GLANCE UP)

KARINA: (TO MADDOX) Are you all right Maddox?

(MADDOX DOESN'T RESPOND)

NILSON: (TO SOLOW) Get Mr. Maddox off the Bridge.

KARINA: But he's needed here.

(SOLOW HELPS MADDOX TO THE COMPUTER BAY DOOR)

NILSON: I'm afraid in his present state he's useless.

KARINA: Shall I inform the Commander.

NILSON: I'll do that. You just return to your duties. I'm sure Doctor Solow will have Maddox back at his terminal very soon.

38. INT. SEA BASE FOUR. AIRLOCK ONE.

(THE DOOR BUCKLING SEVERELY.

THE DOCTOR'S GROUP SLIGHTLY IN ADVANCE OF BULIC'S MEN WHO ARE AT ACTION STATIONS)

TEGAN: What if these Silurians don't want to listen Doctor?

THE DOCTOR: (UNSURE) Look on the bright side Tegan.

(SUDDENLY A TOP SECTION OF THE STEEL AIRLOCK DOOR BUCKLES AWAY FROM ITS SEALS. AS IT DOES THE TERRIFYING SOUND OF THE MYRKA HEARD.

ALL REACT.

A BEAT AND A PART OF THE CREATURE'S FACE APPEARS, SEEN THROUGH THE GAP)

Oh Dear.

TEGAN: What is it?

THE DOCTOR: The Myrka.

(THE CREATURE ATTACKS
THE DOOR WITH RENEWED
FEROCITY)

39. INT. SEA BASE. AIRLOCK FIVE.

(VORSHAK ENTERS.

A NOISE FROM THE AIRLOCK INSTRUMENTATION AND THE SOUND OF PRESSURE BEING EQUALISED WITHIN)

VORSHAK: Well.

PRESTON: Commander, they're inside the airlock.

VORSHAK: That didn't take long.

(AS THEY WATCH AN AREA OF THE SEALS TO THE INNER AIRLOCK DOOR BEGINS TO BLACKEN, SMOKE WHISPING UP. IT BEGINS TO SPREAD ALONG THE SEALS)

40. INT. SEA BASE FOUR. BRIDGE COMPLEX.

(KARINA LOOKS OFF
AND SEES THAT
NILSON IS
PREOCCUPIED.

SHE RISES AND
CROSSES TO
COMPUTER BAY
DOOR)

41. INT. SEA BASE FOUR. COMPUTER BANK. BAY.

(A PANEL IN THE WALL HAS BEEN OPENED.

WE SEE A MASS OF CIRCUIT BANKS.

MADDOX IS WORKING ON THEM.

BITS HAVE BEEN ALTERED SLIGHTLY, REPLACED AND EXCHANGED.

HE WORKS WITH BLINDING SPEED AND A MIRACULOUS TOUCH, ALMOST DEFTNESS OF TOUCH, ALMOST WITHOUT CONSCIOUS EFFORT, THE KNOWLEDGE STEMMING FROM THE DEEPEST RECESSES OF HIS MIND.

KARINA MOVES IN AND PAUSES, REACTING.

HER POV: MADDOX WORKING LIKE ONE POSSESSED, UNAWARE OF HER PRESENCE)

KARINA: What are you doing here?

(NO REPONSE)

SOLOW: His duty - as I dictate it.

(KARINA MOVES TO EXAMINE SOME OF HIS HANDIWORK AND IS SHOCKED)

KARINA: Sabotage! Maddox stop it.

(SHE TURNS AND STOPS.

NILSON IS BLOCKING THE DOORWAY.

THE BLEEPER IN HIS HAND)

Maddox, can you hear me. Stop it.

(MADDOX TURNS FROM HIS WORK AND MOVES TOWARDS A VERY SCARED KARINA.

ON REACHING HE EXTENDS HIS ARMS, HIS HANDS GOING AROUND KARINA'S THROAT)

NILSON: Now kill her Maddox.

KARINA: (GASPING) No ...

(MADDOX WITH HIS HANDS AROUND KARINA'S THROAT FORCES HER TO HER KNEES)

42. INT. SEA BASE FOUR. AIRLOCK ONE.

(THE DOCTOR AND
BULIC'S GROUP.

THE MYRKA HEARD
ATTACKING THE
DOOR)

BULIC: Take aim.

(THE DOCTOR,
TEGAN AND
TURLOUGH MOVE
ASIDE TO GIVE
BULIC A CLEAR FIELD
OF FIRE.

HE AIMS, WAITING
FOR THE MYRKA'S
FACE TO APPEAR.

AS IT DOES,
BULIC FIRES.

THE SHOT HITS THE
MYRKA SQUARELY ON
THE FOREHEAD.

IT REELS BUT
RETURNS TO THE
ATTACK ALMOST
IMMEDIATELY)

I'm afraid.

THE DOCTOR: The Myrka takes quite a lot to impress it.

(BULIC TAKES AIM
AGAIN WAITING FOR
THE MYRKAS FACE
TO APPEAR AGAIN)

BULIC: Fire! We hit it.

TEGAN: You must have killed it.

THE DOCTOR: Tegan!

(THE AIRLOCK DOOR
GIVES IN, CRASHING
ON TOP OF TEGAN)

BULIC: Fire again.

(THE WEAPONS FIRE,
BUT HAVE LITTLE
EFFECT ON THE
MYRKA.

ON TEGAN.

SHE IS FINE, BUT
HER FOOT IS TRAPPED
UNDER THE FALLEN
DOOR)

THE DOCTOR: Are you all right?

TEGAN: How would you feel if you'd let a door fall on you.

(THE DOCTOR TRIES
TO LIFT THE DOOR,
BUT IT IS TOO HEAVY)

THE DOCTOR: Turlough! Help me.

(TURLOUGH JOINS
HIM AND IMMEDIATELY
STARTS TO HELP.

THE MYRKA STILL
REMAINS IMPASSIVELY
FRAMED IN THE
AIRLOCK)

BULIC: (YELLS) Keep firing!

(ON THE DOCTOR'S PARTY)

TURLOUGH: It's no good, we can't lift it.

(VERY SLOWLY THE MYRKA EDGES FORWARD)

THE DOCTOR: Keep back ...! Don't let it touch you.

(A CREW MEMBER GETS TOO CLOSE TO THE MYRKA AND IS STRUCK DOWN, HIS BODY FIZZING WITH ELECTRICAL DISCHARGE.

THE CREW MEMBERS DROPPED WEAPON SLITHERS ACROSS TO THE DOCTOR AND TURLOUGH WHO ARE STILL TRYING TO FREE TEGAN)

(OVER HIS SHOULDER) Bulic! Get your people out of here!

BULIC: Clear the airlock.

(STILL FIRING, THE CREW MEMBERS RETREAT)

THE DOCTOR: You too, Turlough.

TURLOUGH: But Tegan.

THE DOCTOR: (SHARPLY) Get out!

(TURLOUGH MOVES AWAY)

TEGAN: You go as well, Doctor.

THE DOCTOR: No I'm not leaving you.

(HE CONTINUES TO LIFT, WHILE TEGAN STRUGGLES TO PULL HER FOOT FREE)

TEGAN: There's no point in us both dying.

THE DOCTOR: Who's talking about dying?

43. INT. SEA BASE FOUR. CORRIDOR AIRLOCK ONE.

(BULIC'S MEN FIRING BACK THROUGH THE BULKHEAD AT THE MYRKA.

A CREW MEMBER GIVES TURLOUGH A SPARE RIFLE.

BULIC SPEAKS INTO HIS RADIO URGENTLY)

BULIC: The creature's in, sir. And our weapons are useless against it.

VORSHAK'S VOICE: Use grenades.

BULIC: The Doctor and the girl are trapped in the airlock.

VORSHAK'S VOICE: Has the creature passed the bulkhead door?

BULIC: No, sir.

VORSHAK'S VOICE: Then close it! Seal the bulkhead off immediately.

TURLOUGH: (REACTS) No.

VORSHAK'S VOICE: What do you mean, no. Do it. The safety of the base depends on it.

(BULIC SHRUGS AT TURLOUGH AND MOVES TO PRESS SWITCHES.

TURLOUGH DIVES AT HIM AND PUSHES HIM AWAY)

TURLOUGH: No ... wait!

(A COMBAT MARINE
LUNGES AND KNOCKS
TURLOUGH FLYING.

IN AN INSTANT
BULIC HAS PRESSED
SWITCHES AND THE
MASSIVE BULKHEAD
DOOR BEGINS TO CLOSE
AS THE MYRKA APPROACHES)

44. INT. SEA BASE. AIRLOCK ONE.

(THE DOCTOR GLANCES OVER HIS SHOULDER AND SEES THE BULKHEAD DOOR CLOSING.

THE DOCTOR MUSTERING ALL HIS STRENGTH)

THE DOCTOR: One try.

(HE HEAVES AND TEGAN PULLS HER FOOT FREE AND SCRAMBLES TO HER FEET)

TEGAN: Thank you, so much.

(THE DOCTOR SNATCHES UP THE DROPPED WEAPON AS THE BULK-HEAD DOOR CLANGS SHUT)

They've sealed us up!

THE DOCTOR: Brave heart, Tegan.

(THEY BACK TOWARDS THE BULKHEAD DOOR AS THE MYRKA STEPS ONTO THE FALLEN AIRLOCK DOOR.

TEGAN ON THE VERGE OF PANIC)

TEGAN: Brave heart? That thing is going to kill us!
